Looking ahead to... IAAF World Championships and IAAF Congress

The biggest sports event on the planet in 2011, the 13th edition of the **IAAF World Championships, Daegu, Korea** takes place from **Saturday 27 August to Sunday 4 September**, with over 200 teams and 2000 athletes from the IAAF's national Member Federations taking part in nine days of what will be exciting and entertaining competition.

In the week prior to the championships, the members of the present **IAAF Council** meet for their last session (Mon 22) before elections for the executive body take place on the first day of the **48th IAAF Congress** (Wed 24/Thu 25; opening ceremony evening of Tue 23). Then, as is traditional on the day prior (Fri 26) to the start of the World Championships, the new IAAF Council meets the Executive Board of the **International Olympic Committee** (IOC), with a joint press conference given by the Presidents of the IAAF and IOC following that meeting.

On Friday evening (26) the Local Organising Committee of Daegu 2011 hosts a '**Welcome Night**', in Duryu Park, while on the following day the **Official Opening Ceremony** of the IAAF World Championships takes place in Daegu Stadium, ahead of the evening session of competition.

A second **IAAF Council meeting** is held on the morning of the last day of competition (Sun 4), while at the end of the final session at the stadium there is an **Official Closing Ceremony**, including the traditional handover of the IAAF flag to **Moscow 2013**, the next hosts of the IAAF World Championships, which is followed by a **Final Banquet** at the Athletes' Village.
